VISIOSMART™

+ EFFICIENCY

BECAUSE CUSTOMISING YOUR TESTS SHOULD BE QUICK

With VISIOSMART, creating your test protocols is simple. Adapt your tests for your patients, the nature of their work and their working environment

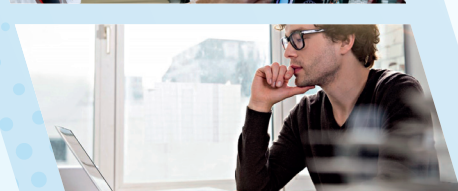

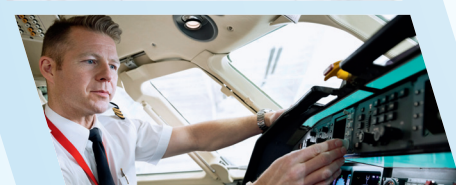

BECAUSE YOUR TIME IS PRECIOUS

With VISIOSMART, tests are instantly displayed and transition seamlessly to optimise your workflow and productivity. The user-friendly VISIOSMART interface is so intuitive that it is sure to save you time, especially thanks to its four pre-programmed test protocols.

BECAUSE INCREASING YOUR PRODUCTIVITY MATTERS

Thanks to its voice mode you can automatically carry out comprehensive test protocols. Text-To-Speech technology guides patients through the test, freeing you from repetitive tasks.

+ PRECISION

BECAUSE YOU DESERVE TOP QUALITY

VISIOSMART is ergonomically designed to ensure the patient adopts the best posture, and has a mask that is suitable for everyone. In addition, it provides a constant and uniform luminance level in accordance with the relevant standards. With VISIOSMART the test environment and conditions are optimally controlled for reliable and accurate eye examinations.

BECAUSE YOU NEED A RANGE OF RECOGNISED TESTS

The VISIOSMART test range is designed to fit to all of your needs, including visual acuity measurement, hyperopia screening, perception of colors and contrasts, and binocular vision tests. All of these tests are based on recognized models and approved by the best scientific experts.

+ OPPORTUNITIES

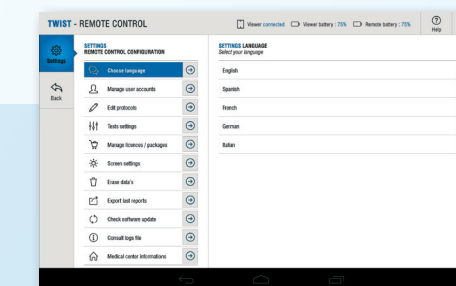

BECAUSE YOU WORK WITH CONNECTED DEVICES

Export test results to the patient's records at the click of a button, thanks to the integrated interface.

BECAUSE YOU FREQUENTLY DELEGATE TASKS TO OTHERS

With pre-programmed tests and a user-friendly interface, VISIOSMART makes it easy for you to delegate screening tasks to colleagues.

BECAUSE ADAPTING TO FOREIGN LANGUAGES IS A NECESSITY

VISIOSMART's voice mode is available in a range of languages, so you can easily adapt your test to the patient's needs.

BECAUSE YOU NEED TO EXPECT THE UNEXPECTED

VISIOSMART is designed to adapt to any changes within your organization.
